RIVERVIEW SCHOOL PTA TOILET PAPER FUNDRAISER!!

Hello, Parents and Caregivers

Toilet paper time again. Help our school while purchasing your essential toilet paper stocks.

Hygiene Direct Northland, our partner in this fundraising venture, will give the school \$10 for every box sold. **Parents, please pay by KINDO or internet banking (PTA Account 12-3091-0184071-00 [please reference child's surname]) before 3.00pm Thursday 24 October. This means there are no paper order forms.** Payment cannot be facilitated on the pick-up day. If you can't make a pick-up day, please contact admin@riverview.school.nz to arrange another time.

Each box sells for **\$50.00** and holds 48 rolls of quality toilet paper. Once all the orders have been received, there will be pick up opportunities to collect your purchases from the Sunshine Room (beside Room 16), so check out the dates below. If selling to local businesses and they buy a pallet, delivery will be free directly to that business (a pallet holds 18 boxes).

Key Dates:

Wed 16 Oct	Information sent home
Thurs 24 Oct	All payments made through KINDO or internet banking by 3.00pm
Wed 30 Oct	Toilet Paper Pick-Up opportunity 2.45pm – 3.30pm

Key points to help you sell:

- Each box holds 48 rolls of quality toilet paper, which is used in the hospitality industry all over New Zealand.
- Most rolls in the supermarket are 190-220 sheets; however, each roll of KTG paper is twice as long at 400 sheets.
- Buying this necessity in bulk will save you money! On a 'per sheet' basis, the equivalent amount of Purex or Cottonsofts retails between \$47.92 and \$55.60 in your local supermarkets.
- It is great for the environment, as there is no plastic involved in packaging. All You will be helping the school to fundraise for equipment in the classrooms that the Ministry of Education cannot fund, such as sunscreen, headphones for laptops, building blocks, and Science equipment.
