PB4L HEARTWISE Expectations

Tuesday this week was **'Two-for Tuesday'** for tokens.

Students that are still on Leg 1, Waka 1 or 2 were rewarded with up to three double tokens. That means that, instead of getting one token for an example of HEARTWISE behaviour, they could get TWO. This can only happen three times on a **'Two-for Tuesday'**.

For people that are on Leg 1, Waka 3 and higher, they were rewarded with one double token (i.e. two tokens for one example of HEARTWISE behaviour).

In other words, students got **two for one** (up to a maximum of three times for Leg 1 Waka 1 and 2, and once for Leg 1 Waka 3 and higher).

We will have more **Two-for Tuesdays** over the year.

**EVENT FOR PARENTS
AND CAREGIVERS**

SUPPORTING TAMARIKI WITH ANXIETY

Worry and anxiety is normal, but when it takes over, it can get in the way of enjoying and participating in life.

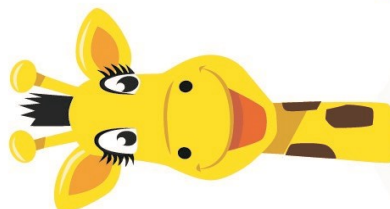

As parents, we need to know how to help our children manage their worries, and recognize when and where to get help.

At this engaging and practical presentation, you will learn what makes children anxious, about the signs of anxiety, and what you can do to help your child deal with their worries and manage their anxiety.
