

Term 2, Week 7, 15 June, 2022

★ Dear Parents and Caregivers

★ Thank you to the 116 people who responded to the latest **Board consultation survey**.

★ The graphs, over the page show the results, which are predominantly positive, but also point to some areas that we need to work on. Thank you also for the written comments, expressing a wide range of views and ideas. These are all very much appreciated.

★ One piece of feedback is that parents are wishing to pop in and see their child's class teacher, which you are welcome to do. We simply ask that you wear a mask inside. Covid is still with us (three students and two staff members had it last week), and we also have a lot of winter flu and bugs affecting attendance as well.

★ We recently had a **Book and Movie Character Dress-Up day**, which brought a lot of fun to the day. There was no requested money, but some donations came in anyway. We will hold the contributions to put towards our next Student Council fundraiser.

★ **Road safety** engineers, representing the Far North District Council, visited last week. They are looking at putting in warning lights and lower speed limits in Riverview Road for peak traffic times, although this will probably not happen until next year. They also asked the school to tell families to please NOT PARK ON THE ISLAND OF THE HALL ROUNDABOUT after school, as this is not a safe practice. Children have to cross the roundabout to get there, and vehicles impede the vision of drivers coming out of the roundabout back onto the road.

★ A reminder that next **Friday (24 June) is the first official Matariki public holiday** and there will be no school. This Māori New Year celebration is a key theme for a lot of learning at this time.

★ I will be away at the beginning of next week with a minor surgery in Auckland and back midweek. In my absence, Mrs Ayr and the Admin team here will be able to help with any matters.

★ For the Children
